

# Polyquat 60

---

Protection against all types of pool algae

Produces clear, sparkling water

Swim in 15 minutes

Non-foaming

# Polyquat 30

---

Protection against all types of pool algae

Produces clear, sparkling water

Swim in 15 minutes

Non-foaming

# Mustard & Black Magic

---

Eliminates all algae types

Controls stubborn algae

Fast Acting, Long Lasting

# Severest Algae Treatment

---

For use against severe outbreaks of blue-green, black and mustard algae

Concentrated formula

Effective control of algae growth

## pH Up

---

Increases pH of pool water

Keeps water comfortable

Protects metal parts from corrosion

Ideal range is 7.2 – 7.6

## pH Down

---

Lowers pH and alkalinity

Safer to use than liquid acid

Ideal range is 7.2 – 7.6

# Calcium Up

---

Extends surface and equipment life

Raises calcium hardness

Ideal ranges is 200 – 400 ppm

# Alkalinity Up

---

Raises total alkalinity

Locks in pH, Prevents "pH Bounce"

Ideal range is 80 – 120 ppm

# Power Enzyme

---

Reduces overall pool maintenance

Cleaner surfaces, filters, and more!

Improves water quality and clarity

Made from all natural ingredients

# Supreme

---

Enhance water quality by improving filtration and controlling algae

Increased sanitizer efficiency

Will reduce maintenance costs

# Supreme Plus

---

Makes water notably crystal clear

Softens water for less irritation

Less pH and alkalinity adjustments

Easier water care in one seasonal dose

# Weekly Treat

---

Maintains Supreme & Supreme Plus levels

Ideal for pools with sand filters

Small doses

# UV Shield

---

Save money by reducing chlorine loss

Once a season treatment

Contains Cyanuric acid

# EXO Clarifier

---

Fast acting clarifier

Solves issues pools quickly

Adds "pristine" to water

All natural and biodegradable

# Microfloc Clarifier

---

Continual action for long term water success

Coagulates microscopic particles

Compatible with all other water treatments

Reduces chlorine use

# Cover Cleaner

---

Prolongs life of covers and other deck items

Removes grease, oil and grime

Prevents unpleasant odors during storage

Fresh lemon scent

## Reverse

---

Removes excess chlorine and bromine

Fast dissolving crystalines

100% active material

Instant action

# 1" Pure Tabs

---

Slow dissolving, long lasting chlorine

Provides steady levels of chlorine to pool

Hard pressed without gummy binders

Stabilized, UV protected

# 3" Pure Tabs

---

Slow dissolving, long lasting chlorine

Provides steady levels of chlorine to pool

Hard pressed without gummy binders

Stabilized, UV protected

# Zip Chlor

---

Chlorinating concentrated granules

Ideal for precise dosing

Ultra fast dissolving particles

Stabilized, UV protected

# Multi Magic Shock Extra

---

Buffered Shock Treatment

Swim in 15 minutes

Removes organic contaminants

For use with all pool surfaces

# Shock & Swim

---

Reduces more wastes than chlorine

Chlorine free, swim in 15 minutes

Restores sparkle and clarity

Won't fade or bleach vinyl liners

# Quick Shock

---

Strong algae killer

Great for openings and closings

Granules are totally soluble

Stabilized chlorine

# Power 68

---

Scours and cleans water

Prevents cloudy water from forming

Quickly aids to eliminate cloudy water

Cyanuric acid free

# Power 73

---

Scours and cleans water

Prevents cloudy water from forming

Quickly aids to eliminate cloudy water

Cyanuric acid free

# Tile & Vinyl Cleaner

---

Removes scale & hard water deposits

A true 2-in-1 cleaning marvel

Compatible with all surfaces

Maintains sharp looking surfaces

# Metal Magic

---

Removes stains caused by metals

Protects plumbing and equipment

Prevents scale buildup

Compatible with all filtration types

# Filter Magic

---

Effective for use with all filters

Quickly loosens buildup in filters

Increases filter efficiency

Extends the life of the filter media

# Dry Clarifier

---

Increases filter efficiency

Restores water quality

Very small doses required

Reduces sanitizer consumption

# Phosaway

---

Pulls phosphate out of the water

Less phosphate, less problems

Improves salt chlorine generator performance

Instant action

# Phosaway Extreme

---

Pulls phosphate out of the water

Less phosphate, less problems

Improves salt chlorine generator performance

Commercial Strength

# Superfloc

---

Works to remove extensively cloudy water

Best used with sand filters

Fast acting

Long lasting

# Quick Cover

---

Saves energy and conserves water

Protection against heat loss

Creates invisible liquid barrier

Reapply every 7-10 days. Small doses.

# Metal Magic Spot Chalk

---

Removes stains created by metals and organics regardless of their source

Apply directly onto problem areas

Unused chalk puck can be re-used
