## PRODUCT HIGHLIGHTS

**A leader in borate technology.**  
A once-a-season application that will save time and money. Also, pool water will look incredible.

**NEW!**  
**Liquid UV Shield**  
Provides instant absorption in water to protect the chlorine in the water from the Sun's UV rays.

## Our quality products come with friendly and knowledgeable support.

### MARKETING SUPPORT

From posters to counter mats to pool care guides, Haviland supports you in creating a successful retail environment.

Our upgraded **Dealer Locator** helps potential customers find you!

### ONLINE AND IN-PERSON TRAINING

Our online training modules and in-person classes will ensure both you and your staff have the knowledge they need to help guide customers to the right products.

### LABORATORY AND TECHNICAL SUPPORT

We've been experts in the chemical industry for 90 years. Have a question about a product? Customer have a pool issue that defies explanation? Our technical staff and state-of-the-art laboratory are here to support you.

## Proud to be a 100% employee-owned and operated company

Our employees benefit from the long-term success of our company, which means we all have stake in our customers' success.
